

# Celebrations, Leadership and Legends!

Welcome to our latest edition of the Yarra Foundation Update.

Yarra Foundation Day: 8 February

At the start of term, we celebrated Yarra Foundation Day. We recognised the first day at Yarra Valley Grammar on 8 February 1966. Lots of activities across the whole school helped us celebrate the foundation of the School AND the Yarra Foundation as we continue to fundraise for the future of the School. Looking for legends!

We ~~are~~ looking for volunteers to join our passionate committee. Perhaps you have skills in marketing? In social media? In fundraising? In writing? Or perhaps you just want to get involved in an important part of the Yarra Community? – if so, we'd love to hear from you [HERE!](#) And if you are a full Yarra Foundation member you might also be interested in joining us as a Director. We look forward to hearing from you
